COLLEGE & CAREER READINESS

***INCOMING 9TH GRADE HIGH SCHOOL
ORIENTATION MEETING
APRIL 2017***

WHAT IS COLLEGE & CAREER READINESS

The Indiana Department of Education defines a college and career ready individual as one who has the knowledge, skills and abilities to succeed in post-secondary education and economically viable career opportunities.

OUR MISSION

To ensure all SHCSC graduates are exposed to a diverse range of experiences in order to be prepared for and accepted to a post-secondary or career opportunity.

College and Career Ready

- Preparing for College & Career class where students dive deeper into their interests and strengths while exploring careers and colleges.
 - Selection of career cluster and pathway to help guide a student's high school graduation plan.
- Naviance, a comprehensive college & career readiness platform that helps align student interests and strengths to career goals.

College and Career Ready

- Preparing for College & Career Class (PCC) - Exploration Trips
 - Provide students opportunities to visit college campuses and regional companies.
- Curriculum Development
 - Build rigor and relevance in all classes.
- Increase in Dual Credit and Advanced Placement Offerings.
- PRIDE - Work Ethic Certification (Currently Senior Year)
 - A set of five competencies that emphasize the “soft skills” that are crucial to employers.
 - Persistence, Respectful, Initiative, Dependability, Efficiency
 - Employer offered incentives for students coming to them with the PRIDE Certification.

CAREER CLUSTERS AND PATHWAYS

➤ Career Cluster

- A group of careers that share common features.
- There are 16 national career clusters

➤ Career Pathway

- A smaller group of jobs within a career cluster that use similar skills.
- Each career cluster contains several career paths.

➤ **Career Pathway Plan of Study**- a roadmap to help students achieve their post high school career goals.
