

Community Service Project

Standard 6.0/7.0 Personal & Employability Skills: Students will demonstrate personal skills needed for success in school, life and career.

Such skills include responsibility, integrity, getting along with others, leadership, appreciation of diversity, attendance, and punctuality.

As a part of the Personal Skills requirements, students will complete **three hours of volunteer community service**. Students will use the “**Action Sheet**” to document the completed community service. A **supervising adult** will need to **complete** portions of the “Action Sheet” and **sign** the document to verify student completion of service. Students should use a separate “Action Sheet” each time the service or supervising adult changes.

Community Service Volunteer Ideas:

Animal shelter	Daycare/Preschool	Homeless shelter
Nursing home	Church	Library
YMCA	Fire Department	Elderly neighbor
Schools	Hospital	Disabled neighbor
Parks	Food Pantry	

This project provides an opportunity for the student to demonstrate, share and document the personal and employability skills used to complete the community service experience.

Community Service sections will appear on job application forms as well as college and career application forms. These opportunities will help students in achieving future endeavors.

**** After completing three hours of community service work, students will choose to write a reflection paper OR create a presentation visual.**

Reflection Paper:

OR

Visual Presentation:

- One page typed.
 - Double spaced, using 14 font.
 - Your name at bottom of reflection paper.
 - Attach completed “Action Sheet(s)”.
 - **Reflection essay should include:** What is the importance of community service? A description of the service you performed and details such as where, when, why you chose the service and how you felt &/or what you learned while completing the service. Would you choose this type of community service again, explaining why or why not.
- *Poster or Video or Power point.
 - *Photos or clips of your service.
 - *Captions: What? Where? When? Feelings? Thoughts?
