Family Access

A screenshot of the Harmony 3 South Harrison Family Access login page. The page has a blue header with the "Harmony 3" logo. Below the header, there is a "Sign in" section with a "Username" field, a "Password" field, and a "forgot my password" link. A red box highlights the "Don't have an account yet? Create an account here" link. A "sign in" button is located below the fields. To the right of the login fields, there is explanatory text: "First time visitors must create an account by clicking on 'Create an account here'." and "Each parent can create an account or they can share an account. Multiple children can be added to each account even if they attend different schools at South Harrison." A "[top]" link is visible at the bottom right of the page.

Once you have an account, you can add students with a registration code.

The student will appear in this area.

To add more students to your account, simply repeat the above process with each student's registration code and date of birth.

**You *DO NOT* need a separate account for each student. All students can be added/accessed through ONE account.**

Once all students are added, click on "go to my students".

That is all there is to it. Now you have a Family Access account. You can use this account to check a student's schedule, grades, attendance, discipline, and to complete the online registration.

## Online Registration

To complete the online application process, click on a student (the name will turn green), scroll down to that section, and click on each form to complete it. The forms should check off as you complete them.
